

Remarks

Claims 1-6, 9 and 12-13 are pending in this application. Claims 1-6, 9 and 12-13 have been amended. Claims 7-8 and 10-11 have been cancelled. Claim 13 has been added.

By way of this preliminary amendment, claims 1-6, 9 and 12-13 have been amended and claim 13 has been added. These claim amendment and additions are being made solely for purposes of placing the claims in a format appropriate for U.S. prosecution. Applicants submit that the amendments and additions do not change the scope of the claims as originally filed. Such amendments are therefore made to address formalities in the claim format and are not related to the patentability of the subject matter of the claims. No new matter was added by way of these claim amendments and additions.

In view of the above amendments and arguments, this application is deemed to be in a form suitable for US prosecution.

Respectfully submitted,

William F. Gray
